DECLARATION

This is to state that the institution follows the standard operating procedures for identifying slow and advanced learners based on the performance in the midterm examination conducted as per university guidelines.

The slow learners are given instructions to attend remedial classes and mandatory attendance is checked.

The other options for slow learners are discussions on difficult topics, simulations, and clinical postings.

The advanced learners are identified and encouraged to help slow learners by peer teaching and participate in the workshops, seminars.

The students are encouraged and are provided with library books and various e resources for further improvement.
