Vishnupuri, Nanded-431606

- To improve quality of start-ups by focusing on innovative services.
- To motivate student start-ups to apply for their innovative business.
- Spread awareness to students and faculty regarding IPR related activities.
- Improve quality of research work among students and faculty.

Resource person:

Mrs. Esther Rani J
Associate Professor
MSN department

Participates:

All students and Nursing Faculty Staff and students.
SSSMTNS, Nanded.

Plan for the Year:

1. At Institute level sessions on DOT training will be organized. Students will be motivated to participate in the workshops and conferences and get awareness in their minds related to innovation and start-ups. They will be given guidelines on the basis of which to prepare the presentations. Senior faculty members and industry experts will guide and mentor for the same.
2. The Entrepreneur Alumni are identified. These entrepreneurs along with successful entrepreneurs from various sectors of the industry will be called to speak on their entrepreneurial journey and will be requested to be mentors for students who desire to become entrepreneurs.
3. Students and faculty will be motivated to attend sessions on innovations and it will add value to their knowledge and will help motivating students for thinking innovatively, creating something on own. The entrepreneurial path may become interesting and encouraging.
4. By Identifying the students having innovative and out of the box ideas, these students will be given further encouragement, required information support and guidance for whatever they need to nurture their idea and bring it to reality.

The programme was end with valuable summary and knowledge about DOT training on 14th March 2018 adjourned at 4.15pm.
