INTRODUCTION

INTRODUCTION OF IQAC

In pursuance of its action plan for performance evaluation, assessment and accreditation and quality up-gradation of institutions of higher education, the National Assessment and Accreditation Council (NAAC), Bangalore proposes that every accredited institution should establish an Internal Quality Assurance Cell (IQAC) as a quality sustenance measure.

Since quality enhancement is a continuous process, the IQAC will become a vital part of the institution's quality assurance system and work towards ensuring quality enhancement and sustenance.

The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of its institution. During the post- accreditation period, institutions need to channelize their efforts towards promoting holistic academic recommendations. excellence including the implementation of peer team's

OBJECTIVE

The primary aim of the IQAC in SSS Mother Teresa Nursing School, Vishnupuri, Nanded is to develop a system for conscious, consistent, and catalytic action to improve the academic and administrative performance of the institution.

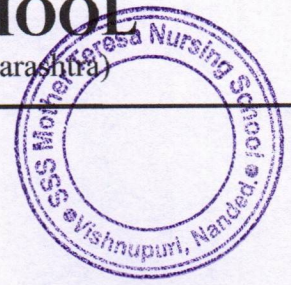

GOALS

- To develop a quality system to improve the academic and administrative performance of the institution.
- To promote institutional functioning towards quality enhancement through the internalization of quality culture and institutionalization of the best practices.
