MOTHER TERESA NURSING SCHOOL

Sahayog Educational Campus, Vishnupuri, Nanded-431606. (Maharashtra)

GREEN CAMPUS INITIATIVES OF MOTHER TERESA COLLEGE OF NURSING

The institutional initiatives for greening the campus are as follows:

- Restricted entry of automobiles
- Battery Power Vehicle
- Pedestrian Friendly Pathways
- Ban on use of Plastics
- Landscaping with trees and plants

RESPONSE: MTNS College of Nursing, one of the best nursing colleges in Nanded has always taken a green agenda. Despite being primarily a nursing institution, it has shown remarkable awareness in maintaining an eco-friendly campus. On visiting the Campus, one can experience the beautiful and graceful buildings, sublime lawns, spacious sports grounds and lush green environment conducive for teaching-learning process.

INSTITUTIONAL INITIATIVES: RESTRICTED ENTRY OF AUTOMOBILES The institute has restricted entry of visitors' vehicles except for ambulance, handicaps and physically challenged people up to marked point in campus (i.e 50m away from hostel). At the college gate security checks are there to stop the vehicles' entry in college. For environment safety, college vehicles (3 buses, 3 cars and 1 motorcycle) undergo pollution check regularly.

PEDESTRIAN FRIENDLY PATHWAYS: Vehicle parking space is provided at the college campus. As the campus is vehicle free with some exceptions, students and staff experience comfort walking through the pedestrian friendly pathways. The internal roads are lined with trees and they are properly maintained by the campus.

BAN ON USE OF PLASTIC: ACN seeks complete ban on single-use plastic items such as polythene plastic bottles, bags, spoons, straws and cups. Adequate notices have been put up across the campus to ensure no plastic usage. Security guards have been instructed to check vehicles, entry of parcels, nutrition lab, mess for usage of polyethene materials.

LANDSCAPING WITH TREES AND PLANTS: Student and staff enjoy the comfort of walking on shady pedestrian pathways. The institute has a trees and plants to make the environment pollution free to safeguard the health of all the inmates. Utmost care is taken to develop and maintain green landscaping by gardeners and supervisor. The institute authorities focused on the development and maintenance of the greenery inside and outside the campus. Various plants are planted on the college road too.
